

Made To Bloom

— LEGACY BOXES —

Legacy Boxes

How It Works

- Choose the items you feel would work best in the box and we can work out a quote for the total retail cost.
- Choose how many boxes you would like to purchase or a monetary value that suits your family. You can purchase this box for yourself, as a gift for a friend or as part of our Pay It Forward initiative.
- Once the initial box has been gifted or received, the box will be loaded onto our website as a Legacy Box. Minimum initial purchase is one box.
- You can then choose a foundation you wish to support with an ongoing donation. \$5 from every box sold will be donated to the foundation as a lump sum at the end of each year.

Tips For Building a Box

- Boxes generally work best with 3 or more items.
- If you select a card to be gifted as part of your box, we are able to handwrite a message on the card prior to posting.
- You can choose your favourite item and build from there or you can choose a theme for the box. Some examples include a self care box, a men's box, a miscarriage or stillbirth support box, a TFMR support box etc.

Inclusions

- Initial purchase of boxes gifted or paid forward is free of shipping - we pay that for you as part of our service.
- When customers purchase a legacy box on our website, all local 2800 postcode addresses are free delivery. For anyone outside of Orange, a small postage fee will be added to the cart on checkout.
- Recipients will receive additional items depending on stock availability, which may include cookies, pens, flower bombs etc.
- All boxes come wrapped in ribbon with a plantable swing tag. The swing tag will have your baby's name handwritten on it as part of our "Say Their Name" initiative.
- Each year you will receive a card from Made to Bloom with the donation receipt and a thank you from us!
- You will be automatically listed as a VIP on our email list to ensure you stay up to date with everything MTB including exclusive information, access and discounts.
- Your baby's name will go on our Angel Wall if you feel comfortable with this - Coming Soon.
- Your baby's name will live on through Made to Bloom and these boxes will make a difference in another grieving parent's lives.
